

REGULATIONS

1. Terms of entry and residence

Nobody may enter, settle or stay on the campsite without previous authorization of the manager or his representative, who is responsible for the safety of the site and maintenance of order including application of the following rules. The fact of staying on the campsite implies acceptance of these rules and agreement to conform to them. The campsite may not be used as an official address of residence.

2. Police formalities

Minors not accompanied by their parents will not be admitted to the campsite. Pursuant to Article R.814-1 of the CESEDA (Code on the Entry and Residence of Foreign Nationals and the Right of Asylum), the management is required to have foreign national clients complete and sign an individual police registration form upon arrival. This form must include, in particular: 1. Surname and first names; 2. Date and place of birth; 3. Nationality; 4. Usual place of residence; 5. Telephone numbers. Children under the age of 15 may be listed on the form of one of their parents.

3. Setup

Tents, caravans or similar equipment may only settle where indicated by the manager or his representative.

4. Reception

Open during the season from 8am to 8 pm. You will find there all the information on the services of the camping, the information on the possibilities of refueling, the sports facilities, the touristic interests of the surroundings and various addresses which can be useful. Any complaint or suggestion of improvement is to be made at the reception.

5. Notices

The current internal regulations are displayed on the notice board at the entrance of the site and at the reception. A copy will be provided to any customer on request. For classified campsites, their classification and their category, tourism or leisure, and the number of places is also displayed. The prices of the different services are provided under conditions established by the Minister of Consumer Affairs and are available at the reception.

6. Arrival and departure formalities

Mobile homes: guests may arrive from 4:00 PM and must vacate the mobile home by 10:00 AM. Camping pitches: guests may arrive from 12:00 PM and must vacate the pitch by 12:00 PM.

7. Noise and silence

Guests are kindly requested to avoid any noise disturbances that may disturb their neighbors. For the smooth running of the stay, silence is requested from 11 pm.

8. Animals

Owners of dogs and other animals must be able to present mandatory vaccination certificates. Regarding the tattoo or the microchip, the owners of dogs and cats must comply with the regulatory requirements set up by the veterinary services of the prefecture concerned. In accordance with article 211-1 of the rural code, and the decrees and ministerial decrees of application, the dogs of 1st category "dogs of attack" (pit bulls) are prohibited. 2nd category "guard and defense" dogs (Rottweiler) must be muzzled and leashed by a person of full age (art.211-5 of the C.R). Dogs and other animals must be kept on a leash at all times. They are forbidden in common areas (restaurant, bar, terrace, swimming pool, playground, etc.). They should not be left in the camping, even locked up, in the absence of their masters who are civilly responsible. Any vacationer must pick up any excrement made on the campsite by his animal by putting it in a bag and throwing it into a bin. A maximum of two dogs are allowed per pitch, with each dog not exceeding 15 kg.

9. Visitors

Outside visitors are allowed in the campground under the responsibility of the campers who receive them. The services and facilities are accessible to them. Visitors are only allowed to park in the car park at the entrance of the campsite.

10. Traffic and parking of vehicles

Inside the campsite, vehicles must drive at a limited speed of 10km / hr. Traffic is allowed from 7am to 11pm. Only vehicles belonging to people staying in the campsite can circulate in the field. Parking is allowed only on rented locations. One vehicle per space is permitted. Parking should not obstruct traffic or prevent new arrivals.

11. Electric vehicle charging

Charging electric vehicles is strictly prohibited at the pitches and throughout the campsite. It must be carried out exclusively at the charging stations provided for this purpose.

12. Maintenance and appearance of facilities

Everyone is required to refrain from any action that could affect the cleanliness, hygiene and appearance of the campsite and its facilities. Customers are advised to dispose of their dirty water in the gutters, not on the floor. Garbage, waste of any kind, papers must be deposited in garbage cans. Washing is strictly forbidden outside the bins provided for this purpose. Plantations and floral decorations must be respected. It is forbidden to plant nails in trees, to cut branches, to plant. It is not permitted to delimit the location of an installation by personal means, nor to dig the ground. Any damage to vegetation, fences, land and facilities will be at the charge of the person responsible. The location that will have been used during the stay must be maintained in the state in which the camper found it when he/she arrived.

13. Security

Open fires are prohibited throughout the campsite. Charcoal barbecues are permitted. Cooking appliances must be kept in good working order and must not be used in unsafe conditions. In the event of a fire, notify management immediately. Fire extinguishers are available for use if necessary. A first aid kit is located at reception. Campers are responsible for their own equipment and must report the presence of any suspicious individuals to the person in charge. Guests are advised to take standard precautions to safeguard their belongings. Barbecue interdit in the logements and on the terraces.

14. Games

No violent or awkward game can be organized near the facilities. The use of the games is free and unsupervised and the use made of them is under the responsibility of users or their legal guardians.

15. Swimming Pool

Access to the swimming pool is reserved for campsite guests and is permitted only during posted opening hours. Showering before entering the water is mandatory. Running, eating, drinking, and bringing glass items into the pool area are prohibited. Children remain the responsibility of their parents or accompanying adults. Pets are not allowed in the pool area. All users are required to respect safety rules, the facilities, and the peace and quiet of other holidaymakers.

16. Dead garage

Following the departure, it will be possible to leave unoccupied equipment on the ground, only after the agreement of the direction and only in the indicated location. This benefit can be in charge of the client.

17. Drone

Any use of drones is prohibited above the campsite. In the event of a violation of privacy, by capturing, recording or broadcasting images or words of people without their consent, you risk 1 year of imprisonment and a €45,000 fine.

18. Degradation

Any damage, deterioration, or loss caused to the campsite's infrastructure, equipment, accommodation, facilities, or vegetation by a guest, a member of their party, or a visitor under their responsibility may be billed to the person responsible.

19. Theft and personal belongings

The campsite cannot be held liable for the theft or loss of property left on the pitches, subject to applicable legal provisions. Each guest is responsible for taking the necessary precautions to protect their belongings.

20. Infringement of these regulations

In the event of a resident disturbing other campers or breaching these rules, the manager or his representative will give a formal notice ordering him, her or them to stop the disturbance. In case of serious or repeated infringement of these rules after being given the notice, the management has the right to cancel the contract. In the case of any infraction which amounts to breaking the law, the management reserves himself the right to call the police.
